

Amendments to December minutes:

In the fourth line of the secretary's report it should read "be paid for on the first occasion by the Club"

In the section "Business arising from Directors' Reports" The first paragraph should read " In view of the announcement that we would move from Dalewood for one of our January meetings, Bob Wallace suggested that the Board ascertain the feelings on the members on any suggested move from Dalewood at all. He suggested that this be done at our Club Assembly on December 18<sup>th</sup> .

In the section which begins "It was suggested that Paul speak to Ted Lacey" - it should read "It was suggested that Paul speak to Ted Rafuse"

In the section headed "General Business" the donation was made by the winner of the 50/50 draw and not the 500 Club final draw.

I think that is all. Sorry about that – I think I will start bringing a small recorder to the meetings and then I will know who said what and we won't have these errors.
