the BioSands project at his house two weeks ago.

PROGRAM

Jim Hunt announced the guest speaker, John McGuirk who was here to speak on behalf of the Port Hope All Canadian Jazz Festival.

John arrived in Port Hope to stay about five years ago and has since become the unofficial ambassador for the jazz Festival. He took the time to thank the club for having as guest speaker and gave us a little background about himself and the festival. As he explained the festival is unique in that it is the only all Canadian Jazz Festival and therefore it a great showcase for Canadian talent.

John was asked by Joe Pignataro to take charge of the musical line-up for the festival and it should prove to be an exiting and interesting weekend.

The Festival takes place on the weekend of September 21, 22,23 at memorial Park in Port Hope. There will be a big tent with food and drinks and begins on Friday night as a party in the park; Saturday beginning with a Jazz Parade and finished up with music the rest of the weekend long.
