Bowling for Big Brothers/Big Sisters

Alas, gentle reader, it is my good fortune to report to you that I have nothing to report! No Dessert Reports (pre-prandial or otherwise), no Happy Bucks, no Introduction of Guest Speaker, no Guest Speaker, nothing, rien, nada. I am not, God forbid, seeking to emulate that Bulletin writers dream, our Secretary Merv, but I had the good fortune to be the scheduled Bulletin writer for last Monday's regular meeting which, as you all know, was transformed into a "bowlathon" fund raising effort on behalf of Big Sisters and Big Brothers.

Under the able leadership and peerless organizational skills of Past President Bruce, the Club assembled at the bowling ally in the basement of the Cobourg Mall. As to what happened next, allow me to quote verbatim from the horse's mouth Past President Bruce's report:

Bowling for Big Brothers and Big Sisters, Monday, March 30, 2009

The event was in support of Big Brothers and Big Sisters and consisted of an evening of "extreme" bowling.

The bowlers were carefully registered by Past President Rolly who then performed the weigh in and steroid testing (visually).

The athletes then moved on to the next station for carbohydrate loading (with additional toppings). Excitement ran high. One could sense the adrenalin flowing (as well as the beer.)

Funds totalling \$1,184.00 were raised by the club for the charity. (The Cobourg Club collected only \$835.00).

The highest scoring team was the "Spare Tireds" with 643 points. Captain Erin Brown graciously accepted the valuable and much coveted "Knocked Off Your Pins" trophy.

(Of course, Jamieson had "stacked" the team with two surprise guest "ringers", Amy and Brad.)

Kathy Wallace of the "Alley Cats" was the highest individual scorer with 161 points while

Dianne Pendock of the "Pin Heads" scored 106 points on her "very first time ever" bowling.

(Amazingly, Betty Hunt, who was not even in attendance, got a score of 100!)

Joe James of the "Lucky Strikes" achieved fame and glory as the most honest bowler.

Concentration!

Style.

Where's the Ball?

Panache!

A Green Bowling Ball? Is it missing from Bowling Green, Ohio?

The Follow Through, or is that Throw?

You roll the ball on the wooden lane, you don't throw it at the pins!
