To Those Interested in Becoming Members:

As membership chairperson of the Port Hope Rotary Club, I am inviting you or a member of your firm to consider joining our local service club. Rotary is an organization of business and professional people united worldwide who provide humanitarian service, encourage high ethical standards, and help build peace around the world.

Our club meets on Monday evenings for a social time starting at 5:30 p.m. followed with dinner commencing at 6:00 p.m. Our meetings consist of club related business as well as a program which quite often features local or district speakers. We have some excellent programs, and the meeting usually wraps up in an hour and a half.

I personally, on behalf of the Rotary Club of Port Hope – one of more than 33,000 in 167 countries – extend to you a warm welcome to come to a few meetings and see how you feel about our organization. I'd be more than happy to welcome you as my guest. Additional information may be found at www.porthoperotary, and please don't hesitate to call me personally.

Regards,
Sylvia Binkley
