CAMP ENTERPRISE

May 3, 4, 5, 2007

Camp Enterprise held in May of each year, offers students from 16 to 18 years of age an opportunity to explore and develop leadership skills. Held at Trent University in Peterborough, ON, the Camp Enterprise program is structured to present a variety of business experiences to students in an effort to expose and prepare them for the challenges they will meet as they prepare to enter their chosen career path.

Selected professionals from a wide variety of business fields offer these young entrepreneurs insight and guidance by relating experiences with the aim of providing the tools needed to achieve goals in the business world. Carefully planned workshops and hands-on team exercises also provide valuable lessons for participants.

Camp Enterprise invites students from high schools within Northumberland County to attend the three-day session, provides housing, meals, and most importantly, an atmosphere that encourages constructive interaction, a proven basis for learning.

Rotary clubs of Cobourg, Port Hope, Northumberland Sunrise, Brighton, Colborne, and Campbellford work as a team to organize **Camp Enterprise** each year. Rotary greatly appreciates the dedicated and generous support of businesses within the area that make it possible for our students to achieve success.

Camp Enterprise offers:

An opportunity to learn about the world of business
